Pillar Two: Comfort and Experience

Client Support

1. If you have run a Customer Satisfaction Survey within the past 24 months, please explain your objectives?

Select all that apply:

- To improve loyalty and advocacy
- To understand the landscape better
- To understand competitors behavior
- To track customer satisfaction level
- To understand the buying, servicing, and claims experience
- To address negative sentiment and provide service recovery

Please highlight the tools used for customer satisfaction and feedback, and highlight your achievement and process:

2. What do you do under the circumstances a claim is denied? Please Select all that apply:

- Explain to the customers the reasons by a dedicated specialist/claim handler
- Inform the agent and let them explain the reasons
- Provide the customer a chance for clarification and refile for the claim
- Send them a written reply and close the case
- We do something else that is different, and we do it better

Please describe the claim process and its service level undertaking:

3. How do you identify potentially fraudulent claims, and how has the process improve efficiency and help optimize pricing for customers?

4. What does your customer portal do for your customers? Please select all that apply:

- Apply for loans
- Chatbot
- Conduct Product comparisons
- Contact customer service
- Enroll and follow Health Programs
- File a claim
- Make additional purchase
- Make profile changes
- Make withdrawal
- Open an account/Enrol online
- Perform fund switching
- Receive market Information
- Receive product information
- Submit policy application
- Track claims progress
- Track fund performances
- Tutorial articles or videos
- View e-statements
- We do not have a customer portal
- We do more than the above, and please see the description below:

Additional Remarks

5. What does your mobile app do for your customers? Please select all that apply:

- Apply for loans
- Chatbot
- Conduct product comparisons
- Contact customer service
- Health Programs and well-being tracker
- File a claim
- Make additional purchase
- Make profile changes
- Make withdrawal
- Open an account/Enrol online
- Perform fund switching
- Receive market information
- Receive product information
- Submit policy application
- Track claims progress
- Track fund performances
- Tutorial articles or videos
- View e-statements
- We do not have a customer portal
- We do more than the above, and please see the description below:

Additional Remarks

6. What does your Distributor and Agent portal do internal and external intermediaries? Please select all that apply:

- Chatbot
- Engage with Customers
- Make profile changes
- Manage a claim
- Product Comparisons
- Product Information
- Submit policy application
- Track claims progress
- Track performances
- Tutorial articles or videos
- We do not have a portal for Distributors or Agents
- We do more than the above:

Additional Remarks

7. Please describe the technology used for Clients' Ease of access to Products, Pricing, Advice, Research, and the internet. How do you enhance client insights such as big data, A.I., or data warehouse to optimize the client experience and journey? How is technology made available to customers along the three stages - Pre-sale, Account Opening, and Post sale care?

--

8. Does the firm discuss or monitor the impact that its products and services have on customers?

- Yes
- No

9. Has the firm been involved in any customer-related lawsuits or offenses investigated by a judicial/regulatory process during 12 months?

- Yes
- No

10. What supports are provided to ensure service level is measured to meet customers' ongoing needs, ensure that products sold are aligned to their long-term goals and needs, and ensure that customers fully understand the coverage and policy before purchasing from the intermediary?

--

11. If you have run a Broker Satisfactory Survey in the past 24 months, please tell us about your objectives?

Select all that apply:

- To improve loyalty and advocacy
- To understand the landscape better
- To understand competitors behavior
- To track customer satisfaction level
- To understand the buying, servicing, and claims experience
- To address negative sentiment and provide service recovery

- Track claims progress
- Track performances
- Tutorial articles or videos
- We do not have a portal for Distributors or Agents
- We do more than the above:

Additional Remarks

13. How do you ensure that brokers' practices are aligned with client experience and the ongoing monitoring of satisfaction level?

↑ Upload all the relevant screenshots, decks, and guidebooks, etc...

Video URL links:

Pillar Three: Governance and Dependability

1. Have you received a Financial Rating from a major rating agency in the past 12 months?

- Yes (please proceed to 2A)
- No (please proceed to 2B & 2C)

2A. Financial Strength: Please state the ratings over the past 12 months as of June 30, 2021

Standard and Poor	<input type="text"/>	Rating in 2020	<input type="text"/>
Moody's	<input type="text"/>	Rating in 2020	<input type="text"/>
Fitch	<input type="text"/>	Rating in 2020	<input type="text"/>

2B. Asset Under Management:

2020 AUM (USD):	<input type="text"/>	YoY Growth/Decline (%)	<input type="text"/>
2019 AUM (USD):	<input type="text"/>	YoY Growth/Decline (%)	<input type="text"/>
2018 AUM (USD):	<input type="text"/>	YoY Growth/Decline (%)	<input type="text"/>

- We prefer not to disclose

2C. Solvency Ratio:

2020 (%) of regulation:	<input type="text"/>	YoY Growth/Decline (%)	<input type="text"/>
2019 (%) of regulation:	<input type="text"/>	YoY Growth/Decline (%)	<input type="text"/>
2018 (%) of regulation:	<input type="text"/>	YoY Growth/Decline (%)	<input type="text"/>

- We prefer not to disclose

2. Does the firm have a committee responsible for risk?

- Yes
- No

3. What is the Business of the Risk Committee? Please select all that apply:

- Proactively identify risk issues
- Assessment of risks
- Mitigate and Manage risks
- Risk controls policies and implementation
- Regulatory risks monitoring
- We do more than the above – please explain below:

Additional Remarks

4. What is the percentage of the risk committee that is independent?

%

5. Are there any executives on the risk committee?

- Yes
- No

6. Does the firm describe business continuity risks related to disruptions of operations?

- Yes
- No

7. Does the firm link its directors' bonuses to the achievement of long-term goals?

- Yes
- No

8. Does the firm have a Code of Ethics?

- Yes
- No

9. Percentage of non-executive directors that have industry-specific expertise

%

10. Does the firm have country-specific components in their anti-bribery and/or corruption statement or policy?

- Yes
- No

11. Does the firm provide its employees with training on anti-bribery and/or corruption?

- Yes
- No

12. Please explain the background and general principles for the inclusion of investment vehicles and asset types

13. What is the rationale of risk profiling for including investment in the "menu" of the ILAS platform? What are the risk assessment tools being used?

14. What is your Product Due Diligence Process? Please explain how an idea is generated and financial metrics used to measure the feasibility of a third-party asset manager:

15. What are your exclusion policies and the minimum E.S.G. requirements of the products

16. Under what circumstances will a fund be removed from the selection? What are the steps taken to prevent losses suffered by the clients from the removal?

17. Please explain your Post-sale control, specifically on risk profiling and matching of the investments selected.

18. How do you ensure that the brokers focus on the clients' risk appetite and product alignment, and what training has taken place to ensure the customers' safety?

19. What actions are taken when mis-selling activities are identified, and what are the consequences on the broker?

Pillar Four: Sustainability and E.S.G.

1. Commitment to responsible shareholding. Please select the statement(s) that describe your approach to stewardship. You may choose more than one statement where applicable:

- We have a clearly articulated, explicit, publicly available policy/framework on investing responsibly across ALL our strategies, including non-ESG, non-SRI strategies
- We do NOT yet have an explicit, clearly spelled out stewardship policy/framework/principle, but we are in the process of finalizing one within the next 12 months
- We do NOT have an explicit stewardship policy/framework -- and do NOT have plans for one -- but we invest responsibly whenever possible across ALL our strategies, including non-ESG, non-SRI strategies
- We invest responsibly ONLY in our E.S.G., S.R.I., and/or sustainable strategies. We do not practice responsible investing in other strategies
- We are signatories to one or more stewardship principles, but we have no concrete plans to institute a stewardship policy/framework at our firm at the moment
- We are not signatories to stewardship principles/codes; we have no stewardship policies, but we are keen to move in that direction is within the next 1-2 years
- We think stewardship is NOT suitable for our business model, and we have explained why to the relevant regulatory authorities and/or investors
- We do NOT think stewardship is important to our firm at this time, and we do not feel it's necessary to explain why
- Our firm does NOT have a position on stewardship

2. Disclosures on voting: Please select the statements that describe your firm's practices related to voting. Some firms have varying disclosure levels for different policyholders types. Your answers to this question should reflect your disclosure to retail and high net worth policyholders and family offices. You may select more than one statement:
- Our disclosure on voting is available to policyholders, from retail to institutional asset owners, without them having to make a request, i.e., the disclosure is on our website or other electronically accessible venues
 - Our disclosure on voting is available ONLY to institutional policyholders, including family offices, without them having to make a request, i.e., the disclosure is electronically accessible to them
 - We disclose our votes and rationale ONLY if a policyholder asks for disclosure
 - In our disclosures, we explain in plain, clear, unambiguous language the rationale behind every vote
 - In our disclosures, we explain the rationale behind every vote, BUT we do not make an effort to present it in plain language, clear, unambiguous language
 - We do not currently disclose our votes and rationale, but we have concrete plans to do so within the next 12 months
 - We do not disclose and have no plans to disclose our voting
 - We do not vote
 - We cannot/prefer not to divulge our voting practices
3. Is your firm a signatory to the United Nations-supported Principles for Responsible Investment (UNPRI) or another responsible investing initiative? Please select only one response.
- Yes, we are already a signatory to UNPRI only
 - Yes, we are already a signatory to UNPRI plus one or more responsible investing initiative/s
 - No, but we are in the process of applying to be a signatory to UNPRI or another responsible investing initiative/s
 - No, but we plan to be a signatory to at least one responsible investing initiative in the near future
 - No, we have no plans to become a signatory of any responsible investing initiatives in the near future
 - Other responses (please specify)

Please explain and describe the other initiatives that you have pledged.

4. To what extent will E.S.G. **materiality factors** influence the ultimate investment/divestment, overweight and underweight decisions? Would you please select only one response?

A. **Environmental materiality factors**

- 80-100% influence on the ultimate investment decisions
- 65-79% influence on the ultimate investment decisions
- 50-64% influence on the ultimate investment decisions
- 35-49% influence on the ultimate investment decisions
- 20-34% influence on the ultimate investment decisions
- 5-19% influence on the ultimate investment decisions
- Environmental effects on the portfolio are NOT currently considered, and we have NO plans to take them into account
- Environmental effects on the portfolio are NOT presently considered, but we have clearly defined framework, parameters, principles, methods/techniques, and objectives are available for imminent implementation to take them into account within the next 12 months

B. **Social materiality factors**

- 80-100% influence on the ultimate investment decisions
- 65-79% influence on the ultimate investment decisions
- 50-64% influence on the ultimate investment decisions
- 35-49% influence on the ultimate investment decisions
- 20-34% influence on the ultimate investment decisions
- 5-19% influence on the ultimate investment decisions
- Social effects on the portfolio are NOT currently considered, and we have NO plans to take them into account
- Social effects on the portfolio are NOT presently considered, but we have clearly defined framework, parameters, principles, methods/techniques, and objectives are available for imminent implementation to take them into account within the next 12 months

C. Governance materiality factors

- 80-100% influence on the ultimate investment decisions
- 65-79% influence on the ultimate investment decisions
- 50-64% influence on the ultimate investment decisions
- 35-49% influence on the ultimate investment decisions
- 20-34% influence on the ultimate investment decisions
- 5-19% influence on the ultimate investment decisions
- Governance effects on the portfolio are NOT currently considered, and we have NO plans to take them into account
- Governance effects on the portfolio are NOT currently considered, but we have clearly defined framework, parameters, principles, methods/techniques, and objectives are available for imminent implementation to take them into account within the next 12 months

5. What does the firm **consider material**, and how is an **assessment of their impact** carried out? Please describe your **overall inclusion of E.S.G. factors** and how is the in-house E.S.G. materiality framework defined? Please also explain how you would identify material financial and E.S.G. factors affecting a company, industry, sector, and country.

6. Do you align your investment policies against the UNSDG, and what impact(s) do you target to achieve?
Please select all that apply.

- Goal 1: No Poverty
- Goal 2: Zero Hunger
- Goal 3: Good Health and Well-Being
- Goal 4: Quality Education
- Goal 5: Gender Equality
- Goal 6: Clean Water and Sanitation
- Goal 7: Affordable and Clean Energy
- Goal 8: Decent Work and Economic Growth
- Goal 9: Industry, Innovation, and Infrastructure
- Goal 10: Reduced Inequalities
- Goal 11: Sustainable Cities and Communities
- Goal 12: Responsible Consumption and Production
- Goal 13: Climate Action
- Goal 14: Life Below Water
- Goal 15: Life on Land
- Goal 16: Peace, Justice, and Strong Institutions
- Goal 17: Partnerships

7. Does the firm have a statement or policy to promote equal opportunity and diversity?

8. Does the firm offer diversity training?

9. Does the firm have specific targets to improve equal opportunity and diversity?

10. Does the company disclose quantitative information on gender or ethnic minority employment?

11. Percentage of minorities on the Board

%

- 12.** Does the firm have any programs or initiatives in support of LGBTQIA+ rights?
- 13.** Percentage of ethnic minority individuals employed by the company in management-level positions
- 14.** Does the firm provide charitable donations or product/service accessibility initiatives?

Pillar 5: Business and Growth

1. Does the firm state that it has responsible marketing practices and/or transparent product labeling?
 Yes
 No

2. Business – How is this product distributed and the major contributor to this success?

3. Please share with us the successes of this product and its contribution to the company's bottom-line.

4. How does the company feel about the statement of: Prioritizing the customers' needs before revenues?

5. What has been the Year on Year business growth on this product series?

2020

2019

2018
